

## Choosing an Editor

### When choosing an editor:

- Discuss your specific needs and requirements (e.g. editor's availability to discuss any issues).
- Ensure that the editor can meet your due date.
- Review the cost and get the agreement in writing. Editors are paid up front.
- Ensure the editor stands behind his or her work.
- Know exactly what you'll receive for your money.
- Ensure that your editor has the most recent version of the Argosy Dissertation Guide.
- Please note that Argosy University does not guarantee quality of, or student satisfaction, with the work of any editor/editing company.
