

# Using the Tests & Measures Field in PsycARTICLES and PsycINFO

If you need to find information on a psychological test, like how a particular test has been used by other researchers and what the results were, the **PsycARTICLES/PsycINFO** database is a great resource. If a test or measure was used in the methodology of a study, the name of the test is listed in the Tests and Measures field.

Use our [Advanced Search](#) to find full-text articles!

[A-Z of Online Journal Titles](#) - Search for a specific journal title to find if it is available in AUO's databases.

[ABI/INFORM Complete](#) - A comprehensive business database containing thousands of journals. Offers full-text titles covering business and economic conditions, corporate strategies, management techniques, as well as competitive and product information. International coverage provides complete picture of companies and business trends around the world.

[ABI/INFORM Dateline](#) - Local and regional business publications focusing on hard-to-find local and regional business news coverage of large corporations, privately held companies, local start-ups, executive profiles, marketing, finance, and industry news. Provides access to business information not typically found in national news sources. Contains news and analysis, information on local markets, and more gathered from major business tabloids, magazines, daily newspapers, wire services, and city, state, and regional business publications.

[ABI/INFORM Global](#) - Most scholarly and comprehensive way to explore and understand business research topics. Search nearly 3000 worldwide business periodicals for in depth coverage of business and economic conditions, management techniques, theory and practice of business, advertising, marketing, economics, human resources, finance, taxation, computers and more. Information on 60,000+ companies with business and executive profiles.

[ABI/INFORM Trade and Industry](#) - Search more than 1200 business periodicals with a trade or industry focus. Provides users with the latest industry news, product and competitive information, marketing trends, and a wide variety of other topics.

[Academic Search Elite](#) - An EBSCOhost database indexing over 2,000 publications, including scholarly journals in the social sciences, humanities, general

# Tests & Measures Field in PsycARTICLES/PsycINFO

[Military Collection](#) - Includes over 545 titles, with more than 400 available in full text, on topics across all government and military branches, including international relations, political science, criminology, defense, aeronautics and space flight, communications, civil engineering, and more.

[Newsstand Complete](#) - Includes international, national and regional papers such as The New York Times, The Wall Street Journal, USA Today, Washington Post, and The Guardian. Over 900 newspapers are indexed and more than 850 are full text.

[Nursing & Allied Health](#) - Provides abstracting and indexing for more than 850 titles, with over 715 titles in full text, plus more than 12,000 full-text dissertations representing the most rigorous scholarship in nursing and related fields.

[Oxford Art](#) - Includes Grove Dictionary of Art and other art references from Oxford. Find articles about and images of major works, artists, styles, and mediums throughout Ancient and Contemporary Art.

[Pharmaceutical News Index](#) - Contains bibliographic information and indexing for 22 key U.S. and international pharmaceutical, healthcare, biotechnology, medical device, and cosmetic industry newsletters.

[ProQuest Central](#) - The largest aggregated resource on the market with over 11,000 titles, 30,000 dissertations, 350 newspaper titles and broad global coverage. Includes collections in banking, pharmaceuticals, education, computing, religion, criminal justice, military and current affairs. Best place to start.

[PsycARTICLES and PsycINFO](#) - American Psychological Association's (APA) resource for abstracts of scholarly journal articles, book chapters, books, dissertations, and literature in behavioral science and mental health. Covers the professional and academic literature in psychology and related disciplines including (but not limited to) psychology, mental health, and sociology. Included is PsycARTICLES.

[Psychology and Behavioral Processes](#) - Includes abstracts and full-text articles in psychology, mental health, and related disciplines.

[Psychology Journals](#) - Journals and magazines with complete full-text coverage from top psychology and related publications, this database meets the needs of both students and mental-health professionals.

[Religion](#) - Features more than 150 journals covering formal theological studies and commentary on topics of general interest from the perspectives of many, worldwide religions. In addition, there are many titles from religious publishing bodies and nondenominational organizations.

[Research Library](#) - Search for basic coverage of a broad range of subject areas including: arts, business, children, education, general interest, health, humanities, international, law, military, multicultural, psychology, sciences, social sciences and women's interests.

[Sage Premier](#) - Electronic access to 550+ peer-reviewed, full-text journals and over 264,000+ articles, with content dating back to 1999 in the social sciences, business, humanities, and science, technology, and medicine disciplines.

[ScienceDirect](#) - Includes articles and books from Elsevier publications and articles from society publications for which Elsevier provides online access. Subject coverage is multidisciplinary and covers business, humanities, medicine, the sciences and social sciences.
